

AMERICAN LEGACY THEATRE (A.L.T.) JUNIOR BOARD LEADERSHIP PROGRAM 2020

Want to run a theatre company? A.L.T. is continuing its unparalleled eight-week opportunity for select middle school and high school students in the Greater Cincinnati area!

A.L.T. will handpick a group of exceptional students who will form a temporary Junior Board of Directors to serve in tandem with the permanent A.L.T. Board of Trustees to produce their own original production - artistic and business.

Artistically, the Junior Board, guided by the A.L.T. Producing Artistic Director and A.L.T. teaching artist, will write, perform, and design an original work that focuses on social issues chosen by the students of the Junior Board. A.L.T. will provide a start-up budget, and the Junior Board will raise additional funds necessary to put on performances.

Administratively, the Junior Board will engage with various members of the Board of Trustees who will act as consultants to them as the Junior Board builds marketing strategy, financial budgets, and other components needed to ensure a successful production.

In the community, the Junior Board lead the way for discussion on social change, and gain valuable non-profit board experience. This summer intensive will prepare students to be leaders as performers, prospective college students, and members of society.

Who should apply? Students interested in working hard to use art as a tool to spark social change and discussion on civic issues are strongly encouraged to apply. This could be a poet, songwriter, actor, dancer, costume designer, 'newbie to theatre', or anyone who cares for their community. If in high school and 18+, please apply for Creative Process Lead.
